Objective: Seeking to devour people, To be worshipped by the entire world, all mankind, To be worshipped as God, to deceive people into believing I am the true Creator. My goal is to deceive as many people as possible, and take them to Hell, to reject Jesus Christ., to Disrupt or corrupt worship and doctrine to cause trouble and division among brethren, to draw all away from God and to burn all in the eternal fire.

Qualifications:

I (Satan) Tempts people to disobey. (Genesis 3:4)

I (Satan) am the prince of this world. (John 12:31)

I (Satan) inspired Judas to betrayal. (John 13:2)

I (Satan) has the power to blind the mind and keep it in darkness. (Acts 26:18, 2 Corinthians 4:4)

I (Satan) am also the god of this world. (2 Corinthians 4:4)

I (Satan) governs over the "principalities, powers, rulers of the darkness of this world." (Ephesians 6:12)

I (Satan) am like a roaring, devouring lion. (1 Peter 5:8)

I (Satan) deceives the nations through sorceries. (Revelation 18:23)

Skills and Experience: I (Satan) used my awesome knowledge of the natural laws of the universe and human nature to MOTIVATE mankind to act against God, thereby separating mankind from knowledge of the holy (i.e., understanding) and the

KINGDOM OF GOD.

I (Satan),” the personal name of the Devil, the dragon, the serpent in the garden (Revelation 12:9; 20:2), revealed my own motives and methods as I SUBTLY moved to influence mankind’s FREEWILL and CREATIVE IMAGINATION in order to shape mankind into my own IMAGE (John 8:44; II Corinthians 11:14).

I (Satan) used my great wisdom and beauty (Ezekiel 28:12-19) to deceive mankind, to LEAD mankind to MAKE CHOICES against God (Revelation 13:10), to believe my LIE (Genesis 3:4) instead of God’s TRUTH --- i.e., to FOLLOW after the image of I (Satan) instead of worshipping the Father. I (Satan) SEDUCED mankind in order to steal mankind from the kingdom of God. I EXERCISED the thoughts of mankind’s heart (Genesis 6:5) to become MANKIND’S GOD in my own earthly kingdom --- i.e., this current world system of things (II Corinthians 4:4).

I (Satan) rule over DECEPTION and VIOLENCE (Revelation 11:18).

I (Satan) selected Eve as my target because I knew Adam would follow Eve’s lead (Genesis 2:18).

I (Satan) REDEFINED mankind’s freewill in terms of power and control in order to actively reinforce thoughts, emotions, and behavior oppositional to the authority of God, the Creator. And I called the truth a lie and a lie the truth, creating images in the imagination of mankind full of mysterious pleasures, immediate satisfaction, easy gains, and secret wisdom, all based on undue SELF-ESTEEM --- i.e., the pride of self-worship.

Major accomplishments: the author of all evil (Luke 10:19). prince of the powers of the air, the spirit that now works in the sons of disobedience (Ephesians 2:2), the prince of this world (John 12:31 and 14:30 and 16:11), tempted Eve in the Garden of Eden (Genesis 3:4 and Genesis 3:14), god of this world (2 Corinthians 4:4), Ruler of this world: Jan 12:31; 14:31; 16:11

Miscellaneous:

In heaven I (Satan) said “I (Satan) will ascend to the stars and set my throne above ”. I (Satan) will, not God’s will. Who other can brag about that after attempting, who? I (Satan) fought against angels 1 to 7 in heaven (angels in heaven witnessed this), and won. Number 8 (number of new beginning) angel Michael was the one who brought me down, but he was just lucky. So humans are no match for me, the standard required of you is perfection. How many humans have achieved perfection (1 JOHN 1:8, ROMANS 3:23, 5:12). I (Satan) will sift humans like wheat. Even though I (Satan) despise the Creator I am no fool. (Proverbs 15:5)

(When I (Satan) come to your town, bow down, bow down to a being that’s greater than you. Am amazing, am a monster, am never wrong, its God who is wrong, am the reason why beings get fire-up, and my reign is as far as your eyes can see. Bow down to me and I (Satan) will give you dominion over kingdoms.

I (Satan) deceive humans to destroy each other (EPHESIANS 6:12-13, MATTHEW 5:43-48, JAMES 4:4-7, ROMANS 12:20-21, MATTHEW 5:43-48) not knowing that am their true enemy. Am I (Satan) not the one who causes division. I (Satan) divided the shia

and sunni. I (Satan) divided Catholics and protestants, and many others. I (Satan) terrorize people deceive others to take credit and thus able to blame entire groups (e.g. Christians, Muslims, Jews, etc) and enslave people to service (e.g. military) against whoever I want. Even today am I (Satan) not causing wrangles (1 CORINTHIANS 3:3-5, 1 CORINTHIANS 1- 1 JOHN 3:15) among those who are seeking God so as to form a religious movement that worships me (Satan) as king,(1 JOHN 2:18, 1 JOHN 4:3, 2 JOHN 1:7) while claiming to be serving God in order to win over deceived souls (ECCLESIASTES 3:21, LUKE 13:24-30, JOHN 14:3, REVELATION 21:4, 20:14, HOSEA 4:6).

You tell me (Satan) what makes you think someone can't claim to be a worshiper of God such as Christian, Muslim, Hindu, other religions, or even an atheist, etc while truly they are my followers (imps). JAMES 1:22-25, 1 JOHN 1:8-10, PROVERBS 28:9

Am a self declared saint, saint Lucifer. I (Satan) consider myself a superior being who does not need the authority of the catholic movement or anyone to declare myself a saint.

Am I (Satan) not the one who deceived Jacob into lies about the birth right and enslaved him for over 14years in a foreign land. Even today haven't I (Satan) enslaved humans that claim to be free through their lusts. 1 JOHN 2:16-17, GALATIANS 5:16-26, COLOSSIANS 3:5, 1 PETER 2:11, REVELATION 21:7-8, ROMANS 12:1-2

Their lusts such as drunkard-ness (alcohol, cigarettes, drugs, etc) idol worship of (materialism, graven images as videos, video games, INTERNET (MATTHEW 5:28), Fables 2 TIMOTHY 4:3-5 etc). Haven't I (Satan) already seduced and deceived generations of people who know that Idol worship is wrong (EXODUS 20:4, 25:18), yet worship them, and deny it. Don't they work hard to pay for idols, spend time with those idols, love those idols more than man or GOD (LUKE 16:19-30), gluttony worship food (ROMANS 16:12, PHILIPPIANS 3:18-20), even don't remember to set aside time for God because they are with their idols and would/ or do kill for the idols. Don't people still kill steal and destroy to get the power I (Satan) promise. I (Satan) seduce with rebellious music, humour that mocks good, etc and I (Satan) am unstoppable regardless of what you have heard or been told. (1 CORINTHIANS 15:26)

References: Jan 8:44, 1 Ti 3:6, Rev 12:7-9, Matthew 9:32, Revelation 13

PS: They that think they know pain know nothing, wait, If I (Satan) gets the opportunity, then they will find out.

KJV Ephesians 6:

11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

There is a God of all and a god of this world.

KJV 2 Corinthians 4:

3 But if our gospel be hid, it is hid to them that are lost:

4 In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

If satan is so powerful why didn't he create his own heaven and not cause violence, why did he cause a rebellion and why bother human beings.

Why contact the believer KJV Jeremiah 33:3 Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.

On issues entailing to religion isn't it God who has the final word regardless of what we may call ourselves (Christian, Born again, Spirit filled, Muslim, Hindu, Atheist,).

4 DEFINE YOURSELF

A good resume communicates the following clearly and concisely:

- What the person has done in the past in terms of results - they can show they've performed similar work at high levels in the past,

with proof that backs it up.

- What the person has to offer my company (tied to #1) - how are they going to help me do something better, faster, or cheaper than we're already doing it?
- What makes the person different (ie. better) than the other applicants - why should I care about this particular person and call them over the other hundreds of resumes in the pile?

When gratitude that belongs to God is replaced by a greed of materialism, hasn't the flesh become an idol worshipper. Hopefully the statement "In God We Trust" is not about the benjamins coz the currency is international.

3. The Bible was written by the same people who said the world was flat

(Doest this joke attest to the validity of the word. How could people who were not so intelligent poses wisdom to a level of prophesying such truths as in Daniel all the governments of the world to date, the gospels, miracles, knowledge, etc without some Divine Power backing them up.)

(Think outside the box if you are looking at the sun and planets from a distance they can fit in the square/box/rectangle/oblong/oval but when your inside, how can you see the big picture. And in conclusion they referred to four corner and not flat. The flat thought only appeared to the one interpreting.)

In 1912 the world famous Australian gynecologist. Dr. Hermann Otto Kloepneckler. M.D. Ph.D. published the following:

"The best engine in the world is the vagina. It can be started with one finger. It is self-lubricating. It takes any size piston. And it changes its own oil every four weeks. It is only a pity that the management system is so f***ing temperamental"

(From the above scientist findings don't all married men have the best engine, self lubricating and everything, unless they are in a relationship that is not accepted by religion. Doesn't God know what he is doing because men are interested in engines, yet they require a lot of work, so this engine is unrivaled to date. "Its the remix to ignition flowing fresh out of the kitchen.")

Does your organization struggle with the problem of properly fitting people to jobs? Here is a handy hint for ensuring success in job placement.

Take the prospective employees you are trying to place and put them in a room with only a table and two chairs. Leave them alone for two hours, without any instruction. At the end of that time, go back and see what they are doing.

If they have taken the table apart in that time, put them in Engineering.

If they are counting the butts in the ashtray, assign them to Accounting.

If they are screaming and waving their arms, send them off to Manufacturing.

If they are talking to the chairs, Personnel is a good spot for them.

If they are sleeping, they are Management material.

If they are writing up the experience, send them to Tech Pubs.

If they don't even look up when you enter the room, assign them to Security.

If they try to tell you it's not as bad as it looks, send them to Marketing.

And if they've left early, put them in Sales

(As long as your in sales you can leave early and claim you are selling out there)

A shoplifter was caught red-handed trying to steal a watch from an exclusive jewelry store. Listen, said the shoplifter, I know you don't want any trouble either. What do you say I just buy the watch and we forget about this? The manager agreed and wrote up the sales slip. The crook looked at the slip and said, This is a little more than I intended to spend. Can you show me something less expensive?

The kindergarten class had a homework assignment to find out about something exciting and relate it to the class the next day. When the time came for the little kids to give their reports, the teacher was calling on them one at a time. She was reluctant to call upon little Johnnie, knowing that he sometimes could be a bit crude. But eventually his turn came. Little Johnnie walked up to the front of the class, and with a piece of chalk, made a small white dot on the blackboard, then sat back down. Well the teacher couldn't figure out what Johnnie had in mind for his report, so she asked him just what that was. "It's a period," reported Johnnie. "Well I can see that," she said, "But what is so exciting about a period." "Damned if I know," said Johnnie, "But this morning my sister said she missed one. Then Daddy had a heart attack, Mommy fainted and the man next door shot himself."

Boyfriend 5.0 to Husband 1.0 Funny. Sent on: 1/27/2004 - By: JokePics

Dear Tech Support:

Last year I upgraded from Boyfriend 5.0 to Husband 1.0 and noticed a distinct slowdown in the overall performance, particularly in the flower and jewelry applications, which operated flawlessly under Boyfriend 5.0. In addition, Husband 1.0 uninstalled many other valuable programs, such as Romance 9.5 and Personal Attention 6.5. and then installed undesirable programs such as NFL 5.0, NHL 4.3, MLB 3.0, and NBA 3.6. Conversation 8.0 no longer runs, and Housecleaning 2.6 simply crashes the system.

I've tried running Nagging 5.3 to fix these problems, to no avail. What can I do?

Signed,
Desperate

Dear Desperate,

First keep in mind, Boyfriend 5.0 is an Entertainment Package, while Husband 1.0 is an Operating System. Try to enter the command: C:/ITHOUGHTYOULOVEDME to download Tears 6.2, which should automatically install Guilt 3.0. If that application works as designed, Husband 1.0 should then automatically run the applications Jewelry 2.0 and Flowers 3.5. But remember, overuse of the above application can cause Husband 1.0 to default to Grumpy Silence 2.5, Happy Hour 7.0, or Beer 6.1.

WARNING: Beer 6.1 is a very nasty program that will create Snoring Loudly.

CAUTION: Whatever you do, DO NOT install Mother-in-law 1.0 or reinstall another Boyfriend program. These are not supported applications and will crash Husband 1.0. In summary, Husband 1.0 is a great program, but it does have limited memory and crashes quickly. You might consider buying additional software to improve memory and performance. I personally recommend Hot Food 3.0 and Lingerie 7.7.

Good Luck,
Tech Support

The following are ways to determine whether a truck is company owned:

1. Company trucks travel faster in all gears.
2. They accelerate much faster than personal trucks, leaving tire marks on pavement.
3. They enjoy a much shorter braking distance, leaving more tire marks.
4. They can take bumps at twice the speed of private trucks.
5. Company trucks normally require oil changes at 100,000 mile intervals.
6. Their floors are shaped like ash trays, and accommodate milk cartons, coke bottles, leftover food, and paper wrappers.
7. They can be driven 100 miles or more with the oil pressure light flashing.
8. They are adapted to allow the transmission to be shifted into reverse while going forward at 20 mph.
9. Their tire walls are designed for bumping into and over curbs.
10. Unusual and alarming engine noises are easily eliminated by turning the radio volume up.
11. Company trucks are not designed to be washed or waxed or to retain hubcaps.
12. All company trucks have many dents in the body, inflicted by a mysterious person called "not me".

Joke from Career Development Centre, What does your profession mean:

Definition of:

1. Marketing - You are ambitious yet stupid. You chose a marketing degree to avoid having to study in college, concentrating instead on drinking and socializing which is pretty much what your job responsibilities are now. Least compatible with Sales.

2. Sales - Laziest of all signs, often referred to as "marketing without a degree." You are also self-centered and paranoid. Unless someone calls you and begs you to take their money, you like to avoid contact with customers so you can "concentrate on the big picture." You seek admiration for your golf game throughout your life.
3. Technology - Unable to control anything in your personal life, you are instead content to completely control everything that happens at your workplace. Often even you don't understand what you are saying but who the hell can tell. It is written that Geeks shall inherit the Earth.
4. Engineering - One of only two signs that actually studied in school. It is said that ninety percent of all persona adverts are placed by engineers. You can be happy with yourself; your office is full of all the latest gadgets. However, we all know what is really causing your personality syndrome.
5. Accounting - The only other sign that is studied in school. You are mostly immune from office politics. You are the most feared person in the organization; combined with your extreme organizational traits, the majority of rumors concerning you say that you are completely insane.
6. Human Resources - Ironically, given your access to confidential information, you tend to be the biggest gossip within the organization. Possibly the only other person that does less work than marketing, you are unable to return any calls today because you have to get a haircut, have lunch and then mail a letter.
7. Management/Middle Management - Catty, cut-throat, yet completely spineless, you are destined to remain at your current job for the rest of your life. Unable to make a single decision you tend to measure your worth by the number of meetings you can schedule for yourself. Best suited to marry other "Middle Managers" as everyone in you social circle is a "Middle Manager."
8. Senior Management - (See above - Same sign, different title)
9. Customer Service - Bright, cheery, positive, you are a fifty-cent cab ride from taking your own life. As children very few of you asked your parents for a little cubicle for your room and a headset so you could pretend to play "Customer Service." Continually passed over for promotions, your best bet is to sleep with your manager.
10. Consultant - Lacking any specific knowledge, you use acronyms to avoid revealing your utter lack of experience. You have convinced yourself that your "skills" are in demand and that you could get a higher paying job with any other organization in a heartbeat. You will spend an eternity contemplating these career opportunities without ever taking direct action.
11. Recruiter, "Headhunter" - As a "person" that profits from the success of others, you are disdained by most people who actually work for a living. Paid on commission and susceptible to alcoholism, your ulcers and frequent heart attacks correspond directly with fluctuations in the stock market.
12. Partner, President, CEO - You are brilliant or lucky. Your inability to figure out various complex systems such as the fax machine suggest the latter.
13. Government worker - Paid to take days off. Government workers are genius inventors, like the invention of new holidays. They usually suffer from deep depression or anxiety and usually commit serious crimes while on the job... Thus the term "GO POSTAL"

These are just jokes and take them as they are. Don't take these definitions serious.
